

RUBBER MODULAR SCREEN PANELS

Our rubber panels take advantage of unique compounds and designs, maximising the inherent properties of rubber in mining applications.

- Energy absorption
- Noise reduction – 50% reduction compared to steel
- Available in a wide range of sizes and apertures
- Unique patented aperture designs optimise throughput and minimise blinding
- Square, slotted, round and customised apertures available
- Various fixing options
- Long life and consistent product quality
- Customised hardness ranges available to optimise performance
